3) The D.F.S. has urged very strongly upon the necessity of ~~having the~~ continuing the services of Mr. R.N. Mirza, in view of the reimposition of controls and the valuable experience of the officer with the several Railway Administrations.

With the introduction of monopoly procurement and rationing on a State wide scale, the D.F.S. considers that an officer with his experience is very essential for the Dept to Coordinate and accelerate movement of food grains in the State.

4) For the aforesaid reasons the proposal of the D.F.S. is for sanction with Fl. Concurrence. This case will have to be treated as a Council Case.

(5) The continuance of Mr. R.N. Mirza's services has been necessitated by the reimposition of control over food grains & heavy imports from foreign countries & from outside the State during the current year.

Date 3rd January 1949.

To

The Secretary to Government,
Food & CivilSupplies Department, Bangalore.

Sir,

Continuance of services of Rajasevaprasakta Mr.R.N.Mirza.

I write to invite your kind reference to Government Order No.SD.398-400/A.206-47-2 dated 16th July 1948 sanctioning the continuance of the services of Rajasevaprasakta Mr.R.N.Mirza as Additional Director (Transport) in the Food Department till the end of December 1948. The reasons therefor were explained in my letter No.C1/7832 dated 23rd June 1948 read therein a copy of which is enclosed for ready reference. At that time it was expected that with the introduction of decontrol the operations connected with movement and transport of foodgrains would gradually diminish. Now that control has been introduced again, the entire problem is once again restored to its original proportions. While movement of imported foodgrains will not be on a lesser scale than before, internal movement also assumes great importance with the introduction of monopoly procurement and rationing, formal and informal, on a State-wide scale. The necessity therefore for an Officer to coordinate and accelerate movement is all the more insistent. I therefore recommend that Government may be pleased to sanction the continuance of Rajasevaprasakta Mr.R.N.Mirza as Additional Director (Transport) for a period of one year till the end of December 1949.

2. At present he is getting only an honorarium of Rs 200/- per mensem. He has to move about continuously in the City and Civil Station using his own car, and also maintain social contacts with high officers of other Railway Administrations who visit Bangalore every now and then. As a matter of fact I know personally

that he has been considerably out of pocket on this account. I would therefore recommend that his honorarium may be raised to Rs 300/- per month; and it will be only a small return for the valuable services he is rendering to the Department. He may also be allowed the scales of Travelling Allowance admissible to a Head of a Department for journeys on duty, in keeping with his former and present status. I request also that the menial establishment of one Daffedar and two peons working with him may be continued for a period of one year.

Yours faithfully,

Director of Food Supplies.

Letter No.C1-7832/47 dated 23rd June 1948 from the Director of Food Supplies in Mysore, Bangalore to the Secretary to Government, Food Department, Bangalore.

With reference to Government Order No.SD.1635-36/A.90-46-6 dated the 21st August 1947 sanctioning the continuance of Rajasevaprasakta Mr.R.N.Mirza as Additional Director (Transport) on the existing terms together with his establishment for one more year, I have the honour to state as follows:-

It has now been decided by Government that the distribution arrangements should be continued practically as at present during the next six months. We have still due to us from the Government of India a balance of allotment of foodgrains to the extent of about 36,300 tons. In addition to this, we have asked for a further allotment of at least 15,000 tons, all together making up nearly 55,000 tons which will be in excess of the total quantity which we received during the last half-year 1st July to 31st December 1947. The work connected with the transport and movement of foodgrains will thus therefore be of formidable proportions and certainly not less than what we handled in the corresponding period of the previous year. In these circumstances I feel that it would be very desirable to have a retainer on the services of Mr.Mirza for the next six months. Till now he has been drawing a pay of Rs 1,400/- p.m. (inclusive of his pension) plus a conveyance allowance of Rs 100/- p.m. I would propose that Mr.Mirza may be continued as Honorary Additional Director (Transport) and given a conveyance allowance (or honorarium) of Rs 200/- p.m. The clerical staff of one Steno-typist and two Clerks will be retrenched and only menial staff comprising one Daffedar and two peons may be continued. Thus we shall continue to have the benefit of Mr.Mirza's experience and his goodwill with the Railway authorities both in and outside the State, while at the same time, the expenditure will be reduced practically to negligible proportions, the savings being over Rs 900/- p.m. I have ascertained that Mr.Mirza

is willing to give the benefit of his services to the Department on these terms although it means considerable self-sacrifice on his part. I request that the arrangements proposed above may kindly be sanctioned for a period of six months from 1.7.1948.
